We're discussing the purpose of TinyUmbrella 6.12.00 which is mainly to save SHSH blobs from your device before iOS 7 is released. iOS 7. Read this if you want to know why you need this download TinyUmbrella 6.12.00 software to fix iOS 6.1.2 SHSH blobs. 5. Upload the SHSHs. Some of these SHSHs contain your old iOS 6.1.2 SHSHs that we need to be able to downgrade to iOS 6.1.2 if we need to. We have three options for uploading these SHSHs: If your iPhone supports it, you can use iTunes to either backup the SHSHs or restore the backup to your iPhone (or iPod touch or iPad) that contains these SHSHs. The downside of this method is that iTunes will erase the contents of your iPhone or iPod touch or iPad first.
