Peach Turnpike is a classic strategy puzzle game with a heavy dose of turn-based combat. In the game, the player must take turns to move his or her units, cast spells, and shoot bullets around in an attempt to eradicate all of the enemy's creatures. The game is split up into three different levels. In order to turn the difficulty up from one level to the next, the player is able to do the following things: acquire new spells, upgrade his or her abilities to use them, upgrade his or her characters, gather resources in the form of earth, monster, and golem, unlock new areas in which to fight, and unlock new monsters to fight. Peach Turnpike can be played in two different modes: single-player and multiplayer. In single-player mode, one player can only play in one mode at a time. However, in multiplayer mode, up to five players can play in order to achieve a higher score.
