If you are just looking for something to track things for 30 days or a year then feel free to treat it like a journal. I also recommend a todo list app. Some of the todo apps are excellent. ----- intuitionist I use my calendar to keep track of my habits. I have a custom location on my calendar to remind me to do things like have tea and walk for myself and/or take time to connect with loved ones. ----- jolmg I created [as a side project for myself. It's a simple thing I wanted a while ago. It's essentially a way to keep track of a list of habits, by starting one and then closing it when you achieve the goal or when it's time to change your habits (like to start a new habit and when you know to stop doing the old one). It has an UI that follows the responsive design pattern, so it looks good on small screens. It runs with node, and is backed by mongodb. I use it to track both personal and professional habits. ----- mlechha I use Trello app. It
