Fundamentals - 300 exercises and practice patterns for the violin - Simon Fischer ... Violin lessons for practice by Heinrich Schradieck. Number one ... Author: Rigs Juarez ... The sound of the violin, its character, varies in one way or another depending on the fingers that hold the bow, the way the bow is led along the string, and also depending on the instruments of other instruments that are on stage. This causes violinists to constantly change their sound. Although they do not use any extraneous objects, the sounds can be different. What they play must sound similar. But at the same time, each violinist plays differently. What is the difference?
