If you say "I'm not flying in a plane because it's too big" you're right of course but that's kind of your choice. You can choose that option. For us the plane is a smaller option because we have so much to offer the world... just like the economy class. Our airline is an American airline and we're proud of that. We won't apologize for that because that's who we are. We're American airlines, we're still American airlines. We're not going to be an airline like the other European airlines that have just come in. We're going to be uniquely American and proud to be American."
