System Requirements:

Notes: Compatible with Oculus Go and Gear VR, Android and iOS. Apologies for this being a little late. I know I made an earlier post about this on Facebook, but I've been travelling a lot this past week and it's still been a big learning curve for me to get all the networking stuff down. I'm really glad that this is out and I can finally start posting about it, since I'm so excited about it. It's called Sushi-Jitsu and it's a competitive virtual reality fighter game designed by Ica. It
